POSITION TYPE: Permanent full-time **LOCATION:** Augusta **POSITION #:** 1390/1479

BUREAU/DIVISION: Project Development/Bridge Program

JOB DESCRIPTION: This is civil engineering work of a supervisory nature involving construction oversight of highway bridges. Responsibilities include, but are not limited to: Ensuring that Quality Assurance (QA) staffing needs are at appropriate levels; providing technical assistance, coaching and training to QA staff (Resident Engineers and Inspectors); being a clearinghouse in resolving field issues; ensuring that contract plans and specifications for assigned projects are appropriately reviewed prior to advertising; providing physical presence on construction projects; serving as a member of the Bridge Program Management Team. The ability to travel statewide, including overnight stays is required. These duties will be performed under administrative supervision.

MINIMUM QUALIFICATIONS: Licensed as a Professional Engineer and four (4) years work experience in Civil Engineering at the professional level, two (2) years of which must have been at the Civil Engineer II level.

SELECTION PROCESS: Applicants must forward a cover letter, current resume, and completed Direct Hire application to: MaineDOT, Human Resources, Attn: Jean Higgins, 16 State House Station, Augusta, ME 04333-0016, no later than 5:00 p.m., Tuesday, February 9, 2010. Internal transfers (those already in the above classification for MaineDOT) who are interested in an interview may contact **David Sherlock at 207-624-3490** to be interviewed along with certified candidates. Applications are available by calling, (207)624-3050, and on the MaineDOT website: www.maine.gov/mdot
